# Agenda

2. 12. 2020

14:00 - 15:00

## Feed Safety and Security

Critical contaminants as defined by the GMP+ Feed Safety Assurance standards

**14:00 - 15:00**

Our top experts will walk you through the testing of critical contaminants.

Lenka Repková, Instrumental Food Chemistry Section Supervisor (Aflatoxins)

Jana Komínková, Food Laboratory Manager (Heavy Metals)

Miloslav Sebránek, HRMS Laboratory Manager (Dioxins and PCBs)

You will walk away with an insight on:

- Most common sources of contamination
- Contamination consequences
- Relevant legislation concerning contaminants
- Testing methodologies
- Interpretation of the results
